## 1) Rationale

Interscholastic athletics at Trinity-St. John are an important part of educating the total child. Our program exposes students to team activities and provides opportunities for them to learn and gain from the experience of competition that are found on the field and court. It is here, and under these conditions, that an athlete can put into practice the Christian values and ethics taught in our classrooms and in their church.

**1<sup>st</sup> Corinthians 10:31** tells us, "So whether you eat or drink or whatever you do, do it all for the glory of God."

Trinity-St. John, in partnership with the parents, seeks to minister to the student athlete by teaching Christian sportsmanship and instilling the attitude that one can both win and lose with dignity, and without boasting or excuse. Young athletes on the playing field use their God given talents to bring Him glory and honor. By practicing good sportsmanship, an attitude of wanting to do their very best, cooperation and teamwork with fellow team members, self-discipline and dedication, the TSJ athlete makes the statement to everyone watching that they are ultimately on God's team and they play to win praise for God.

The athlete will develop the fundamental skills at the Little Dribblers and Pee Wee levels through active participation. It is our goal to give all members at these levels a chance for meaningful participation in all games and practices.

Those who desire to continue to use their skills at a more competitive level will have the opportunity to do so on our B team (Junior Varsity) and A team (Varsity).

Since the teams our children compete against are schools that have the same general attitude toward interscholastic athletics, we look forward to enjoyable, competitive contests. We expect our players, coaches, and spectators to conduct themselves in a Christian manner at these contests.

## 2) Student/Parent Christian Sports Pledge

It is the goal of the coaches, teachers, and administration to assist all students in their spiritual, physical, and mental growth. They desire that each student grow to be more like Christ and **“increase in wisdom and stature, and in favor with God and man.” -- Luke 2:52** With this goal set before you, we ask you to carefully read and sign the following pledge in order that we may put God first.

We the undersigned are dedicated to Trinity-St. John Lutheran School’s athletic program as representatives of our Lord Jesus Christ.

We realize we will be expected to behave in a Christian fashion throughout the season.

We agree to follow Matthew 18 in addressing any concerns we have with the coaches by going first to the coach, then the Athletic Director, then the Principal, and finally to the school board if we have not reached resolution to our concerns.

We understand that family and friends that come to the games will be expected to behave in a manner appropriate for a program dedicated to living the faith we profess.

We also realize that athletes on the team will be expected to attend worship together during the season as a team, when participating in an out of town tournament that includes a Sunday game.

We realize inappropriate behavior on the part of any athlete could result in a suspension or removal from the roster.

We will abide by the decisions made by the school concerning the athletic program of Trinity-St. John Lutheran School.

### 3) Objectives of Program

T-SJ Athletes will:

1. Recognize their talents as a blessing from God and will develop and use them in God pleasing ways.
2. Be given the opportunity to play as a child, not as an adult.
3. Learn the skills and strategies associated with each sport they participate in.
4. Unselfishly recognize and respect the talents and abilities of others on their team and in the competing teams.
5. Display the values of Christian sportsmanship.
6. Develop the understanding and attitude that trophies do not make the team a winner; instead, everyone is a winner when they have done their best on the playing field or court.
7. Accept the responsibility for the hard work and commitment necessary for being part of a team.
8. Have fun through physical activity.

### 4) Sports Offered

Grade level may change due to the number of students available in each class and will be reviewed annually by the Executive Board. The Executive Board must gain approval from the Board of Christian Education for any deviations or exceptions.

**\* “At the discretion of coaches with consultation with both Athletic Directors, this can be adjusted based on low numbers available in any one grade.”**

If lower grade athletes are needed, all athletes from that grade will have the opportunity to be included on the Junior Varsity team. 5th grade athletes will not start for the A team. 5th grade athletes will play no more than 3 quarters for the A team.

## **Basketball**

Girls' basketball games start the first week of November.

Boys' and girls' basketball ends after the public schools' state tournament unless there is qualification for the Lutheran State tournament.

Boys may play in the Springfield Tournament which is held the last week of February.

The girls' Springfield Tournament will be decided on a year-by-year basis because of possible conflicts with volleyball.

**Chicago Trip** - Our varsity basketball teams will go to Chicago for the LSA Tournament of Champions when the team achieves 65% winning percentage by February 1st. Circumstances that may affect the winning percentage of a team may arise due to injury, sickness, etc. and may warrant an appeal to the executive board. If a team has the opportunity to go to the LSA Tournament of Champions, the goal is to represent the cooperating schools in a Christian manner regardless of how well the team has previously performed. All students participating in Varsity team basketball are expected to attend. Exceptions are made only under special circumstances, and in agreement with the coach. Appeals may be made to the Executive Board of the co-op which consists of the two athletic directors and the two principals of the cooperating schools. Financial obligation for the trip is the parents, however parents may arrange transportation and supervision of their child.

## **Volleyball**

Spring volleyball begins after the public school's state basketball tournament ends.

### **5) Expectations of Teams**

**Little Dribblers & Pee Wee** - This is the entry level, the learning stage, for this sport. The main purpose for this level is to learn the fundamentals and skills of the game. Provided that they meet eligibility requirements, all students at this level play in every game. However, they will not necessarily get equal playing time. Participation and experience are the main goals.

**Junior Varsity Team** - Junior Varsity teams apply all of their experience and ability to winning the game. Teaching skills will continue to be stressed. Although every eligible athlete will have an opportunity to play, it is possible that not every athlete will have equal playing time in every game. The game is played with the intention of bringing home an honorable victory. The main goal of regular season games is to give each athlete the opportunity to participate and improve their skills. However, during a tournament play time is not guaranteed as the objective is to win. Junior Varsity Team athletes wishing to compete at the Varsity Team level are encouraged to develop their skills more fully through summer leagues, camps, etc.

**Varsity Team** - Varsity teams apply all of their experience and ability to winning the game. Teaching skills will continue to be stressed. The game is played with the intention of bringing home an honorable victory. Although every eligible athlete will have an opportunity to play, it is possible that not every athlete will have equal playing time. Athletes wishing to compete at the

Varsity Team level are encouraged to develop their skills more fully through summer leagues, camps, etc. At the varsity level the goal of the game is to win. The coaches will use their discretion as to which players are able to accomplish this goal.

**Varsity Team Selection** - All students desiring to play on the Varsity team will be given the opportunity to participate. Every reasonable effort will be made to accept all students on the Varsity team level. However, if the eligible number of team members is deemed unmanageable, player selection may be limited. This decision will be made after consultation with the Coach and the Executive Board.

## **6) Eligibility**

**STUDENTS MUST HAVE A CURRENT PHYSICAL AND CONCUSSION FORM ON FILE BEFORE PRACTICE BEGINS.**

Although T-SJ Lutheran is primarily an academic institution, the school seeks to provide any interested student the opportunity to join one or more of our athletic teams. Students may participate in our athletic programs if they continue to meet the academic requirements as set out in the student and athletic handbooks.

### **T-SJ Student-Athlete Eligibility Policy:**

T-SJ athletes are first and foremost ***STUDENTS***. Students participating in athletics and cheer-leading are expected to establish and maintain a passing grade in the academic areas of Math, English, Spelling, Reading/Literature, Memory/Religion/Confirmation, Social Studies, and Science. These grades will be checked each Thursday. The parents will be notified on Friday of any upcoming ineligibility which will take effect on the following Monday through Sunday. In addition, they shall establish and maintain a consistent effort on all work as assigned by his or her teacher. Any student who is not passing a class or does not have his or her daily work turned in by the beginning of class on Friday of that particular week will not be allowed to participate in the next week's contests (Monday through Sunday). Parents and coaches will be notified by the principal or AD of ineligibility.

Where completion of assignments, quality effort, and conduct become a problem the teacher will notify the student, parent and Athletic Director. In these cases the following guidelines will apply:

**Temporary Suspension** - Students who become ineligible due to academic reasons, will not be eligible to participate in practices and games. Participation may resume the following week once eligibility has been restored. Students ineligible for other reasons may be subject to further disciplinary action as seen fit by their coach and the athletic director.

Any student who has failed to obey team rules established by the coach or failed to live up to the expectations of student athletes may also be suspended for up to one game. The Coach in conjunction with the Athletic Director and/or the Principal will determine these suspensions.

Students exhibiting improper / unsportsmanlike behavior may be subject to disciplinary action.

**Removal from the Roster** - Repeated violations or serious inappropriate conduct ***WILL*** result in a student's removal from a team roster. The Athletic Director and/or the Principal will determine the removal.

Athletes who miss any three weeks in a season due to academic ineligibility will be removed from the team roster. Exceptions may be made in the case of students with ISPs.

**Absences** - Any student absent for more than ½ day on the day of a game or practice may not participate in that game or practice.

The Athletic Director and/or the Principal may grant an absent student permission to play based on extenuating circumstances.

Girls – School Appropriate Dress or Team Uniform

Athletes should follow these guidelines at the site of the game until it is time to change into the uniform.

**Practice and Games** - Practice is an important part of being a member of a team. Coaches have the right to determine playing time based on practice time put in by the student athlete. Failure to attend practice may result in appropriate discipline including sitting-out game time, additional running, etc. This will be determined by the coach. The Athletic Director will be informed of any game time to be missed.

The coach will hand out a printed schedule of all games and practices as soon as possible.

Four games and practices per week except for tournaments will be enforced.

Wednesday will not be used for games, practices, or open gyms with the exception of a tournament game.

Varsity teams have precedence over all other levels as far as scheduling practices and games.

**Church Attendance** – T-SJ Student Athletes are strongly encouraged to attend a weekend worship service. We will try to arrange a ride to Trinity/Nashville or St. John/ New Minden for any student wishing to attend here. Students will be expected to worship with the team, when the team is at a special event (at an out of town tournament). **Let us not give up meeting together, as some are in the habit of doing, but let us encourage one another... We understand that not every concern that parents or coaches have will deal with sin. However, we believe that Matthew 18 shows a clear chain of command to be followed. In order for steps to be taken in an orderly way, this chain of command has been developed and may be helpful in situations that may arise.

### **Parents Communication to Coaches**

Parents should:

1. Schedule an appointment with the coach to share concerns regarding coaching practices and expectations. **A twenty-four hour waiting/reflection period must pass before scheduling the appointment.** Concerns are not to be expressed at games or practices.
