Note from the Principal

One of my favorite songs has the following line that gets stuck in my head everytime I sing it: "fill my cup 'til it overflows with love." We love others because we are LOVED by God. His love is life changing, it changes the way we treat others and ourselves. He fills our hearts with love through His word, worship, and a close relationship with Him. When we are acting out of His love, we can move mountains (if it is God's will). I love seeing our students and families share God's love with each other. They truly care for each other because they know that God truly cares for them.

People can be kind without knowing of God's love, but when we realize how loved we are by God, then our kindness can truly make a difference.

"If I speak in the tongues of men and of angels, but have not love, I am a noisy gong or a clanging cymbal." 1 Corinthians 13:1
