Note from the Principal

Have you ever looked back at pictures of when your children were babies and wished you could just keep them small? Sometimes I see my teenagers and think "how did this happen so quickly?" I feel like I just blinked and they grew up. The baby of our family is in Pre-K and seems to grow everyday. You would think with all of this new technology that keeps food forever we could figure out how to keep our babies so sweet and cuddly. Of course, that's not what God intended and He has given us the tremendous job of raising them. The Bible tells us "Keep yourselves in God's love as you wait for the mercy of our Lord Jesus Christ to bring you to eternal life." Jude 1:21 I pray that you feel God's love surrounding you and your family. We cannot keep our babies small, but we can surround them with God's love and help them to be kept with Him for their earthly and eternal lives. Your T-SJ family is here to help surround your children with God's love as they grow.

**Then Jesus said to them,
"Follow Me, and I will make you fishers of men."
Matthew 4:19**
