Dear Trinity-St. John Lutheran School Families,

God be praised for another wonderful school year at T-SJ! It is a joy to be your partner in Christ as we work to instruct students for life and equip them for eternity. This year we have enjoyed new flooring in the entire school, new Promethean boards, and two new teachers and a new pastor in our T-SJ family!

During the past three years we have worked diligently to prepare for our National Lutheran School Accreditation visit this spring. This is such an exciting time at T-SJ as we have done an in depth study of our school and get to share our strengths and areas of growth with the visiting team. I am very proud of our teachers and students and am looking forward to hosting the team.

We look forward to continuing to partner with you in helping your child grow academically, spiritually, and socially.

In this packet you will find a list of what teachers your child can expect for the next school year, tuition amounts, and a re-registration form to be returned to the school office.

How to Register for 2022-2023

Please complete one re-registration form per family and return with the fee to the office.

Re-registration forms and a \$50 re-registration fee per family are due by Friday, May 13th. After May 13th, re-registration for T-SJ families will be \$75 per family. You must be current with this year's tuition or have made arrangements with Mrs. Kurtz in order to register for next year.

If you have any questions regarding registering for next year, please contact Cheryl Zapp or me.

In Christ,

Amy Kurtz, principal

Partners in Christ

Trinity and St. John Lutheran Churches have joined together to form T-SJ for over 47 years. Parents, Grandparents, and other family members generously support T-SJ through tuition, fundraising, volunteering and donations. Our partnerships begin in our building with chapel families worshiping and working together, classes learning together, and teachers working together as a team!

We are also blessed with volunteers in our school each day.

Instructing for Life

T-SJ's teachers provide over 200 years of teaching experience for our students.

Students learn Math, Reading, Writing, Science, Social Studies, Art, Music, Computer, and more.

Christ is integrated into it all!

T-SJ's alumni succeed in high school and beyond.

Equipping for Eternity

Classes pray together and study God's Word daily. Students memorize scripture so that it may be written on their hearts. T-SJ worships together weekly during a chapel service. Pastor Benning and Pastor Mueller serve as spiritual leaders and teachers in our school daily.

Thank You For Your Support

We thank God for our "Partners in Christ": parents, congregation members, faculty and staff, community members, and other generous donors. In addition to our budgeted items, PTL provides over \$30,000/ year for our classrooms and other special projects. We are able to "Instruct for Life" and "Equip for Eternity" with these partnerships.
