From the Principal

Note from the Principal:

We have a real, present, God. Where have you seen God lately? I've seen Him as the Kindergarteners released the butterfly they watched grow from a caterpillar. Their excitement and awe was such a wonderful reminder of how great God is! He grows in each of us and helps us to become "butterflies." I have also witnessed God at work as I watch older kids take care of younger kids when they are sad or want someone to play with them on the playground. God places us all together in this place to live life together and I am thankful for that.

God is present in our lives everyday. He is in the halls and classrooms of TSJ, He is present in our community and beyond. Where have you seen God? Look for God at work in your life and praise Him for all that He is doing! Blessings on your weekend!

-serving Christ at TSJ,
Mrs. Amy Kurtz
